

**IT'S WIDE. IT'S WOW. IT'S NOW.
HYBRID FLEXO + INKJET PACKAGING PRESS**

UNPRECEDENTED COMBINATION OF WIDTH AND SPEED

Hybrid flexo + inkjet packaging press

Introducing ION, a flexible inkjet printing system that's both **wide** and **fast** and available for order **now**. It's an unstoppable force in the pursuit of eye-catching design and enhanced production.

- Higher speeds
- Wider widths
- Larger digital print runs at competitive costs

ION is a fully-modular system with digital CMYK and flexo print stations that can be configured to meet your needs.

*superior
print quality*

Powered by Memjet's drop-on-demand thermal inkjet technology, each print head contains 70,400 print nozzles firing more than one billion dots per second, and the aqueous pigment ink set is both durable and lightfast.

Available for:

- Wide-web packaging
- Film, paper and folding cartons
- Other specialty print markets
- Available for order now

**Now run wide-web films
at higher speeds!**
